## What participants say of previous gatherings:

- I have learned so much that I wasn't aware of before.
- It's wonderful to experience this interaction between all the participants!
- Even days later, I am fulfilled and know that it will stay with me.
- Relationships in the family and in general have been healed.
- Physical healing, just by the way - a collateral blessing.
- Faith from the heart has developed, not just through the mind.
- I have never experienced such worship experienced live.

Do you know what it looks like when something is fused? Because if we are merged with the image of his death, we will also be merged with his resurrection life.

We must understand that our old nature has been crucified with Christ. Therefore, we are no longer slaves to sin. For he who has died is free from all slavery. Consider yourselves dead to sin, but alive to God in Christ Jesus! -

In Christ, you are a completely new creation. (2 Cor 5:17)

**Being dead has many advantages:** Those who are dead cannot be offended, are not envious and do not put on airs, etc. After you die, you receive a new identity in the „witness protection program“. The enemy cannot find you. - „You will be my witnesses!“

Thank God you are now obedient to the gospel of the kingdom of God from the heart and have become servants of righteousness. The result: holiness and the life that is in Christ. (Romans 6:5-23)
