

First and foremost, and therefore with the highest priority, do everything possible to find out for good what his righteousness is all about. Search passionately until you get to the bottom of the matter.

We do this together at „bewegen“ on the last weekend in May.

May 29 to June 1, 2025

Envious are those who are passionately eager for his righteousness, for they will get the full load. Matthew 5:6 in slightly different words.

Beware of side effects: Anyone who has received a full dose of righteousness, i.e. is completely imbued with it, is incompatible with the injustice of this world. And yet: those who are beaten, driven out, harassed, bullied or mistreated for the sake of righteousness are also envious because they are „I am“ kingdom of heaven! (This is how verse 10 could be expressed).

First, that means top priority. Everything else is then a collateral blessing - it follows them automatically. (Matthew 6:33)

If you look for everything else first, you miss the real thing and only get bits and pieces from the other (our normal state).

What is HIS righteousness, what does it include? Search, research and explore with the highest priority so that we can grasp the following:

Christ has become our righteousness. We are in him! (1 Cor. 1:30) He in us (Col. 1:27) So that we ourselves may become the righteousness of God! (2 Cor. 5:21) Madness great!

Righteousness and unity: His intention is for us to be as one with Christ, as he is with the Father (John 17:21). Fused, grown together with him and his righteousness. None of this is possible without unity.

- What are the weapons of righteousness?
- How do we obtain the fruits of righteousness?
- Do we also expect the victorious wreath of righteousness?

Questions upon questions that we should pursue first with this high priority.

Are you interested in adjusting your priorities accordingly? Let's do it together at „bewegen“ at the end of May!
